textarea 1	Multi line text Shape up, man. You're a slacker. You wanna be a slacker for the rest of your life? Why not? Whoa, wait, Doc. Oh, then I wanna give her a call, I don't want her to worry about you. I still don't understand, how am I supposed to go to the dance with her, if she's already going to the dance with you. I guarantee it. Check out that four by four. That is hot. Someday, Jennifer, someday. Wouldn't it be great to take that truck up to the lake. Throw a couple of sleeping bags in the back. Lie out under the stars. I guarantee it. Well, Biff. Mayor Goldie Wilson, I like the sound of that. Breakfast. Hey Marty, I'm not your answering service, but you're outside pouting about the car, Jennifer Parker called you twice. This is for all you lovers out there. Hey George, buddy, hey, I've been looking all over for you. You remember me, the guy who saved your life the other day. Calvin, why do you keep calling me Calvin?
